DON'T BID IN THE DARK

If buying at auction is new to you If you are unsure of what to bid

AC

If you bids are generally unsuccessful

If you would like advice in bidding

You can take much of the guessing out of bidding at auction. We'll be happy to place our sixty-seven years of auction experience at your service, by supplying our estimates of the probable realizations of the lots in which you are interested. Simply send us a list of these lot numbers (leaving space for us to insert our valuations), and enclose a stamped, self-addressed envelope. Our reply will be forwarded promptly. If time is short, call us for this information. Of COURSE, HOW MUCH YOU BID, OR WHETHER YOU BID AT ALL, IS UP TO YOU.

Naturally, using our estimates doesn't mean that you will obtain every lot on which you bid. But you will be in the ball park, and should obtain a fair proportion of your bids, and at prices consistent with current market values.

SEARCH FOR STAMPS AND COINS

At Harmer, Rooke, we are constantly searching for fine stamp and coin collections for our clients. We seek United States, world-wide and specialized collections, as well as individual rarities and accumulations.
